

## **Shipping for New Zealand/Australia/Canada Customers:**

### International Priority Air Shipping

International priority air shipping is available for selection during the PayPal check out process. All packages weighing less than four pounds are shipped at a flat rate, which includes tracking, and up to US\$200.00 insurance on your shipment. Your order will be received in approximately 6 to 10 business days. The rates are as follows:

Australia/New Zealand	\$ 37.70 USD
Canada	\$ 26.85 USD

### United States Postal Service (USPS)

You may have your order shipped by United States Postal Service - First Class International. This method can save you from \$10.00 to \$20.00 per shipment, depending on the size and weight of your order. It will take about five days longer to receive. Additionally, we cannot track the package, nor can we insure the shipment. So, loss in shipping is at your risk. Only one order in the last 100 shipped has been lost; so it appears to be a relatively safe way to ship.

Should you choose to use the above USPS method, please email your order and we will estimate the correct shipping cost for this option and then notify you to pay via Pay Pal. Our email: [brdbreck@aol.com](mailto:brdbreck@aol.com)
